

About Us

The Siberian Husky Club of Greater Cleveland (SHCGC) was first organized in 1960 as the Great Lakes Siberian Husky Club. Upon AKC recognition in 1970 the club became known as it is today. The club held its first AKC sponsored event, a B-OB Match Show in 1970, it's first "licensed" championship point show" in 1973, and it's first "Independent Specialty" show in 1977.

The Siberian Husky Club of Greater Cleveland was the first Siberian Breed Club to hold a Sweepstakes for Siberians and the first Futurity was held by the SHCGC. Holding an Eye Screening Clinic for the purpose of detecting eye diseases in Siberians (and other breeds) was another first for the SHCGC and is one of the oldest continuous clinics in the United States.

The Club offers a variety of activities for Siberian Husky owners, their families, friends and dogs: seminars to educate people about the breed; sledding programs; and programs on raising puppies.

Some Huskies do therapy work in hospitals and nursing homes, others participate in sled dog activities, or skjoring and some are just good ol' couch potatoes.

Members come from all walks of life. All have the same common interest - the love of the Siberian Husky.
