### Letter from the President:

Hello SHCGC Members. I hope this Newsletter finds you and your Siberians safe and healthy. We are all going through some trying times now and I have been feeling the sense of disconnect due to being unable to socialize in our normal fashion we have all been accustomed to. Therefore, welcome to our electronic Newsletter to keep us connected during these times. I will be the editor for now and I will be asking for members to contribute photos, articles, etc. to this Bi-Monthly Newsletter via email. I will also be asking for a report from each committee to contribute by a certain deadline every other month until we are able to hold meetings again. Please let Mary know if you have a new email address so we can update it on our mailing list. This will be a simple and straight forward newsletter concentrating on the layout of a normal monthly meeting. Please let me know if you have any questions or comments.

Thank you all for sticking together and I look forward to the days when things get back to "normal".

Sincerely,  
Shelley Kacenski  
President, SHCGC
